Dear Colleagues and Future Students:

Thank you for taking an interest in the exciting and lucrative Permanent Cosmetic field. It has been a very exciting and rewarding field for me, so I am looking forward to starting you on the path to a wonderful future in Permanent Cosmetics. There is much that you can achieve in this field, limited only by your imagination and desires.

Each class has comprehensive Theory training, as well as hands-on experience and offers students the opportunity to be able to advance to the next level of training in the field.

Classes are scheduled by appointment and are limited to only five (5) students for Theory and one (1) student per trainer for the hands-on portion. Since size is so limited, a non-refundable pre-payment of tuition is necessary to reserve your class space. Once your registration and tuition is received, you will be sent an instruction manual, which you will find very helpful in preparing for class

Once you complete class, you will receive a certificate of completion as well as technical phone or e-mail support and you will be able to order supplies directly from distributors.

Register early to ensure your class of choice. Classes offered are listed below.

Models are used in class for all hands-on procedures done by students and all work is closely monitored and supervised by the Instructor. All local students will furnish their own models. If the Institute has to provide models when students can't, there is a \$100.00 charge to the student additionally for each area the model has done. Models will be charged a \$100 fee per area for the cost of supplies and my instruction of the student. We always need models, so if you know anyone who might be interested, please contact the Institute. They will receive quality procedures at a greatly reduced price!

I look forward to meeting you and helping you start on the way to a successful career in the Permanent Cosmetics industry!
